and the National Forensic League

Ranked 8th in State of Michigan

Regional and State Qualifiers; State Semi-finalist

4N6

Dramatic
Interpretation

Poetry

“Forensics” is a word rooted in Western world classical experience. Greeks organized contests for speakers that developed and recognized the abilities their society felt central to democracy. Laker Forensics participate in sixteen categories of competition, including public address such as broadcasting and sales, and interpretive events like storytelling and poetry.
