

Social Studies Courses

6th Grade Social Studies

Sixth grade students will explore the tools and mental constructs used by historians and geographers. They will develop an understanding of Ancient World History of the Western Hemisphere and will study contemporary geography of the Western Hemisphere. Contemporary civics/government and economics content is integrated throughout the year. As a capstone, the students will conduct investigations about past and present global issues. Using significant content knowledge, research, and inquiry, they will analyze an issue and propose a plan for the future. As part of the inquiry, they compose civic, persuasive essays using reasoned argument.
