

## Winter 2021 Indoor Participation Protocol

Approved 1.28.2021

### Basketball

- Masks are expected to be worn by all spectators and players during both warm-ups and games, and while in the building.
- Spectators must socially distance themselves, even in the stands, based on family/household situations.
- Each player will receive two vouchers per game that must be signed and dated by the athletic director to give to two family members. Contact tracing information must be filled out completely for each ticket holder when surrendered at the gate.
- All participants will be subject to all COVID Safety Protocols.
- Locker Rooms will not be available. Teams should be dressed prior to arrival or make use of restroom stalls.
- Spectators should be prepared to present their voucher (and pay) for their ticket at the gate of the host school. Individual schools will determine admission cost, if any.
- The gym will be cleared between games for cleaning when there is more than one game in a night. **If you have a child on more than one team, you will be allowed to come back in after the gym is reopened. You will not need to pay again but must show your voucher for the next game to get back in. You will not be able to stay for all games unless you have a son or daughter on each of the teams and you have a voucher for each game. The vouchers are surrendered at the time of entry so that we have your contact tracing information for each game.**
- Players will have their temperature checked before each practice and each game.
- At this time, there are no concessions allowed. No food will be allowed in the gym.
- Spectators are asked to refrain from eating or drinking in the stands.
- Participants are to bring their own water and water bottle.
